

Recycling and waste container placement and collection

1. All recycling and must be placed at the curb.
2. Recycling collections will be “every other week” on the same day as your waste collection. A calendar is provided.
3. On your scheduled day of service, place your recycling and waste at the curb no later than 6:00 a.m. – late set out will be noted and may not be picked up.
4. Holidays – the six major holidays may cause a “one day” delay in your collection.
5. Waste should be in properly secured containers (60 lbs. or less) or plastic bags (35 lbs. or less).
6. Hedge cuttings, limbs and branches should be securely tied and should not exceed 36” in length and not weigh no more than 40 lbs. Branches should not exceed 4” in diameter.
7. Christmas trees will be collected in December, January and February.
8. Bulky items/appliances will be accepted at curbside at no additional charge (**limit of one bulk item per month**).
 - i. Carpet should be rolled and tied in lengths not to exceed 48”.
 - ii. Tires will not be collected.
 - iii. Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.
 - iv. Items such as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, or any other appliance containing refrigerant will only be picked up if the item has a sticker certifying the refrigerant has been removed. If there is no sticker certifying removal, we will not pick up the item due to laws prohibiting disposal without certification the refrigerant has been removed. It is suggested that you have the company delivering the new appliance dispose of the old appliance to save on the removal cost of the refrigerant.
9. All recyclable material should be **empty, clean and dry**. Please rinse all food and beverage containers completely prior to placing in the container (for example, no ketchup or mustard may be left in the bottles).
 - I. Recyclable items include newsprint, paper, plastic food and beverage containers, aluminum cans, steel cans, cardboard and corrugated boxes.
 - II. Non-recyclable items include drums, ashes, tires, batteries, car parts, medical waste, liquid waste of any kind, paint and contaminated (uncleaned) recyclables.

■ Holiday ■ Recycling and waste collection ○ Waste collection

Solid waste will be collected every Thursday. Recycling will be picked up on the same day as your solid waste on the shaded weeks. All holidays are highlighted in orange. Please note that collection days will be delayed one day because of the holidays.

Any questions regarding collection days, container deliveries, repairs and replacements or bulk pickups can be communicated by calling our Customer Service Department at 800.464.2120, by emailing customerfirst4264@republicservices.com or by visiting RepublicServices.com.

Edgewood Household Hazardous Waste

Your hazardous waste and e-waste can now be safely collected from each home by calling 877.788.9400. Look through your home for hazardous items that need discarding - everything from batteries and paint to computers and chemicals - and feel secure knowing Republic Services will handle these special items; protecting both you and the environment!

Residents who call will be asked to describe the items they want collected. They will be asked to use a special kit to collect the items, which will be delivered to them. Each kit includes a 42-gallon clear plastic bag and detailed instructions on how to safely package the items, along with a collection date. These items MUST be kept in a secure location; NOT at the curb, until collection. The only exception is a single item weighing 50 lbs. or more, such as a large TV, which must be placed at the curb.

On the collection day, Republic Services personnel will collect the specially packaged items and recycle them.

Here is a list of items that Republic Services will collect (5 gallons or less):

- Paint (latex & oil-based)
- Paint thinners
- Gasoline
- Solvents
- Oil
- Petroleum-based lubricants
- Ethylene
- Glycol
- Antifreeze
- Pesticides/herbicides
- Aerosols
- Mercury/mercury debris
- Light bulbs (fluorescents, compact fluorescents (CFL)
- High-intensity discharge (HID) lamps
- Batteries (lead acid, alkaline, NiCad)
- Pool chemicals/cleaners (acidic & basic)
- Resins and epoxy

Republic Services will NOT accept the following:

- Radioactive compounds
- Smoke detectors
- Ammunition/explosives
- Tires
- Asbestos
- PCBs (Polychlorinated biphenyls)
- Pharmaceuticals/controlled substances
- Biological/infectious wastes
- Medical Sharps,
- Fire Extinguishers
- Propane Tanks

Edgewood Collection Schedule

All waste will be collected weekly. All recyclables will be collected every other week on the same day as waste collection (see calendar).
