Every year Community Day brings together our friends, neighbors and local organizations for a day of activities, food and entertainment. Join your neighbors at noon for an opening flag ceremony by Boy Scout Troop 23. Throughout the day there will be food and drinks brought to you by the EVFD, in addition to other groups. Test your skills on a rock climbing wall brought to you by the Boy Scouts. Be sure to bring the kids by the Edgewood Police Department booth to enter the raffle and participate in the Child Identification Program. The Edgewood Foundation will be providing a magician, a balloon artist, airbrush tattoos and a moon bounce. The Edgewood Garden Club will also have a children's craft, so be sure to stop by. This year music will be provided by two local favorites: The East End Dukes will kick off the entertainment followed by a return performance by Iconic George. To end the day, grab your picnic blanket and head to the field for a beautiful performance by the ESO and an amazing fireworks display!

Edgewood Community Survey

Have an opinion about Edgewood? Here's your chance to voice it! Please visit the Borough website (see link below) to fill out a short survey (about 5-10 minutes) and include any ideas, concerns or comments regarding the Borough.

<http://www.zoomerang.com/Survey/WEB22CHMECMXRD/>

We will post results of the survey later this summer. Thanks in advance for your help with this project!

Council Notes

A Walk in the Park... With Fido

Borough Council is calling on fellow dog lovers who share their homes with canines. Across the Nation, the number of households with pets is on the rise and Edgewood seems to be following that trend. A suggestion was made to turn an area of Dickson Park (located off of Elm St. - view it on Google Earth) into a 'Dog Park:' a fenced area where neighborhood dogs (and their owners) could exercise and play with other dogs.

To keep costs low, we're looking for dedicated volunteers who would be willing to give a few hours on a weekend to clear brush away to create a large area. We would also need donations to purchase fencing to keep the dogs and the neighborhood safe.

This would truly be a community effort: both donations to purchase fencing and volunteers (young and young at heart) to help clear the area are needed. We're looking for your input.

Please email ewood.dogpark@gmail.com, call the Borough offices or send a note with your thoughts, suggestions and/or offers to help!

When It Rains...Part 2

Where do my sewage payments go? (Note: This is a follow up article from the June/July newsletter.)

The Borough Sewer Fund (separate than the General Fund operations) is funded by the Sewage surcharge that residents pay each quarter. Off the top, Edgewood Borough pays \$400,000 per year to ALCOSAN (the Allegheny County Sanitary Authority) for sewage treatment and mandated plant upgrades. This does not include any engineering fees, public works salaries (our public works department spends

about 30% of its time working on sewer maintenance in the Borough) or any repair or replacement of underground sewer lines.

The DEP, Allegheny County Health Department and the Federal Government mandated all 83 communities to complete needed repairs. Edgewood is required to correct problems with broken or blocked pipes (e.g. root infestation) and to properly maintain our sewers. We are currently carrying about \$380,000 in loans for prior Sewer projects (you may remember the work done on Race St. several years back) and will need to take out an additional loan to complete necessary repairs on Allenby and the Nine Mile Run Interceptor, which could cost up to \$1,000,000. Our total liability (to complete all upgrades) for the work that needs to be done could easily be in the tens of millions of dollars.

The Borough collected \$728,788.98 from current and delinquent Sewage fees in 2010. We will need to take out several hundred thousand dollars in loans to finance needed repairs in 2011-12. Because we are mandated by the EPA to address this issue and there are few, if any, funds available to us through the state and federal government, we will need to increase Sewage fees substantially to meet our needs. We realize this is yet another increase for residents, but we must address these problems now or risk serious community health problems, sinkholes, backups or sewage in the streets, in addition to the fines and penalties previously discussed.

Effective in October statements, there will be a fee increase of \$1.00 per thousand gallons--from \$3.70 to

\$4.70 per thousand gallons of water used. Please see the Manager's Note for a full explanation of the sewer surcharge.

Please look for updates in future newsletters, attend a Borough meeting to discuss your concerns, and check the ALCOSAN website at www.alcosan.org for additional information on this very important matter.

EVFD

August means one thing; it's time to cook some chicken and ribs. On Community Day August 27, 2011 let EVFD do the cooking for you. We will be serving barbecue chicken and rib dinners starting at 1 pm. The menu is half a chicken or ribs, corn on the cob and roll all for the low price of \$10. This year the fryer will be making a comeback for wings, fries and possibly fried dough. Wings are available in buffalo style, garlic and butter, barbecue or just plain and single order of French fries will be available. Come hungry and come often.

As of June, the EVFD has run over 200 calls for the year. We are on a course to set an all-time record for calls per service year. Recently the Emergency Medical Service Institute has certified all three fire department vehicles as Excellent in Quick Response Service. We have also been given the green light to serve as an EMS continuing education training facility. On several occasions the QRS team has made a difference in a serious medical emergency in the Borough. If you are interested in being part of this progressive and busy department, please contact me at firechief@edgewoodbor.com. As you can see, if you are not interested in fighting fire you can participate in the QRS program. In addition, by joining the department you may be eligible for financial assistance for tuition to a college, university or trade school.

The Edgewood Volunteer Fire Department (EVFD) was recently awarded state certification for Quick Response Service (QRS) having passed the formal inspection by the Emergency Medical Service Institute (EMSI), the regional EMS accreditation body for the Pennsylvania State Department of Health. QRS, more commonly known as "first responders", is a program by which the fire department simultaneously responds with EMS to critical medical incidents

thereby decreasing the time to delivery of essential medical care such as CPR, AED, and control of hemorrhage. The EVFD has partnered with Eastern Area Pre-hospital Services (EAPS) to provide this valuable service. All three EVFD apparatus are certified to provide QRS services. Since its inception, the EVFD QRS program has made a difference in many critically ill patients thereby demonstrating its value to the community at large. If you are interested in becoming a member of the EVFD or in becoming a first responder / EMT send an email to firechief@edgewoodboro.com.

EVFD Assistant Chief Halle (right) receives the official state QRS certification decal from the EMSI inspector which is displayed on the side of all of the Edgewood Volunteer Fire Department apparatus

Police Report

Edgewood Police activities for the August 27th Community Day include a police booth with complementary novelty gift items. We will hold a children's raffle at 7 pm in which the **winner must be present to win.** The grand prize this year is a Sony Portable PlayStation with 2 games. Although we are still working on the other prizes, we hope to make this raffle full of great prizes for kids to win. The Pennsylvania Freemasons PA CHIP Program will be there offering parents free fingerprints, digital video and digital still photos of your child or children. CHIP stands for **Child Identification Program** and provides parents with the capability of quickly getting vital information to emergency responders if your child ever becomes missing or separated from you. The digital video and photo parents/guardians will receive are compatible with the Pennsylvania Amber Alert System. Hopefully, you will never need or use this information, but, you must be prepared.

Click it or Ticket

For those of you who may not know, Click it or Ticket is a campaign by the state of Pennsylvania to enforce the use of seatbelts. Statistics overwhelmingly show that wearing your seatbelt greatly reduces your risk of injury or death.

On June 23, 2011 through July 13, 2011 the Edgewood Police received funding by the State to conduct 40 hours of seat belt enforcement. The results of our enforcement are as follows:

- 3,403 persons contacted
- 9 seat belt violations
- 16 moving violation
- 5 suspended drivers
- 9 misc. citations issued
- Multiple vehicles were impounded

A second session, which is a stroll through Edgewood and the Regent Square neighborhoods, has been added on Thursdays. This group meets at 8:30 am at the Library. Welcome to our new member...there is room for one more!

The Foundation would like to welcome our new board member, Beth Nelson. Beth is excited to help our neighborhood with her volunteer efforts. Please introduce yourself to Beth at our next event.

We are also still interviewing in August for our last open seat on the board. If

Recreation

Edgewood baseball for our 7/8 and 9/10 age group is now over and our T-ball and girls softball is just beginning! The 7/8 team had a re-building year with many new players from the borough, plus others that grew up from the t-ball league from last year.

The 7/8 team was led by Coach Shaun Leet, with help from other parents; the kids learned the game of baseball, while having fun with each other. The 9/10 team was again led by Coaches Jeff Mattson and Jeff Salipante. There were some very exciting games and the team even made it into the playoffs, but unfortunately lost in the first round. A big thank you goes out from the kids to their parents, grandparents, guardians, and all those who took time to support them during this very exciting season. Unfortunately, we did not have enough players to field a team for the 11/12 age group this year, so they traveled to the 14th ward to play. Plans for next year's season include getting the registration forms out much earlier, automating mailing addresses, etc., so it will be much easier for kids and parents to play ball!!!

Girls softball also started recently and plays on Tuesdays and Thursdays from 6-7:30pm, coached by Kip Bryant (has been coaching for over 10 years). This group has 31 girls divided into 2 teams who play each other each week. They look good while they play with funky tie-dyed shirts with matching visors. Most of the girls have either played together in the past or go to school together, so the girls all root each other on, even though they compete against each other. Both T-ball and Girls softball will conclude their season with a picnic, parent/kid game and trophy presentation on Sat., July 30. So enjoy the nice weather, buy a hot dog or hamburger and drink and watch the kids run around and have fun!

From the Manager's Desk

BREAKDOWN OF EDGEWOOD QUARTERLY SEWER BILL ISSUED BY PAMS:

- » ALCOSAN charges \$4.04 per thousand gallons of water used plus a service charge of \$8.48.
- » Edgewood charges \$3.70 per thousand gallons of water used (will increase to \$4.70 beginning with October 2011 statement)
- » PAMS charges a fee of 2.5% of the total plus \$.44 postage

FORMULA

Total Sewage Bill = (TOTAL ALCOSAN CHARGES + EDGEWOOD SEWER CHARGES) + PAMS 2.5% charge + \$.44 POSTAGE

Example: If you used 10,000 gallons of water during a quarter, the bill would be:

$$\begin{aligned}
 & [(\$4.04 \times 10) + \$8.48 + (\$3.70 \times 10)] + 2.5\% + \$0.44 \\
 & = \$85.88 \quad + \quad \quad \quad \$2.15 + \$0.44 \\
 & = \$88.47
 \end{aligned}$$

NOTE: Due to rounding off by ALCOSAN billing program and PAMS' program, your actual bill may be slightly different.

Shane Mysels, a high-honors 2011 graduate of Woodland Hills High School, has been recognized by the school district for NEVER missing a day of school from kindergarten through his last day of school 2011. Even though Shane's friends are making fun of him for this oddity in never missing a day of school, his parents and immediate family think it is an awesome feat, something in today's society that should be praised and recognized. Mariah, his younger sister, has also never missed a day of school since kindergarten and she keeps the record going in her senior year, will hopefully also be recognized.

Meet Our New Children's Librarian!

Introducing Mrs. Lauren Miller our new children's librarian at C. C. Mellor library! Lauren comes with a lot of experience and unbridled enthusiasm.

Lauren was raised in the South Hills area of Pittsburgh. She attended the University of Pittsburgh where she received both her Bachelor's degree in History and a Master's of Library and Information Science. While working on her Master's degree she worked part time at the main branch of the Carnegie Library. Upon graduation, Lauren accepted a full-time position at Chatham College as a paraprofessional in the library. For the past six years she has worked as a law librarian for a private firm. When she saw the job advertisement for the opening as a children and teen librarian she knew that she had to go for it. Lauren had been looking to get back into a public librarianship and loves working with kids and teens, it sounded like a perfect fit! Lauren is pleased that this new endeavor has exceeded her expectations and the staff and community has welcomed her with open arms. Lauren has also joined our community in a more personal way; she and her husband Andrew are also new neighbors here in Edgewood. Please make sure to stop in the library and welcome Lauren Miller.
