Fireworks at the 2012 Edgewood Community Day Celebration

### **Keeping Community Day A BLAST!**

Do you have great memories of watching fireworks at Koenig Field with your family and friends? Edgewood Borough is busy planning for another spectacular Community Day Celebration. This annual event is a great way to reconnect with your community. Although we remain committed to bringing this memorable part of our community celebration to our residents, the Fireworks display represents a significant cost in the Borough's budget. And every year, we struggle with the budget to support them. If you have a business or if your family would like to become a sponsor for the 2013 fireworks, just stop by the Borough Building with your donation, or mail it to 2 Race Street, Pittsburgh PA 15218. Any donation amount is a sign of support for continuing this wonderful Edgewood tradition and will help to make our fireworks display a success! All sponsors will receive recognition via the Edgewood Newsletter and Community Day signage. For more information or if you have any questions, please contact the Borough Building.

# Council Notes

## House Numbers

House numbers are required by Edgewood Borough Code chapter 99, §99-1 to be clearly visible from the street. Here are the requirements:

1. House number in Arabic numerals (not hand-written, and not in Roman numerals).
2. At least 3 inches (76 mm) high and ½ inch (13 mm) wide
3. Placed in a position easily observed and readable from the street.
4. It is the responsibility of the owner(s) or occupant(s) to place and maintain the house numbers. Trim any foliage that is covering them up.

**Why are visible house numbers important?** It's not just for pizza delivery! If there is ever a medical or fire emergency in your home, emergency personnel need to be able to find your home quickly and easily to help you. Make it possible by having your house numbers clear and visible from the street.

## Edgewood Recycles

Some household items can be difficult to recycle safely. In order to make recycling as easy as possible, we've compiled a list of the closest options for Edgewood residents to dispose of these difficult items in environmentally friendly ways!

## Spotlight on Edgewood Businesses

**Edgewood Day Care**  
120 East Swissvale Avenue  
(412) 731-1230

Linda Stagon is the owner/manager of Edgewood Day Care, which is located in the upstairs classrooms of the 1st Presbyterian Church of Edgewood. The daycare provides services to children 12 months to 5 years of age. Three separate age-grouped classes are led by ten staff and a few volunteers who work with the children.

Edgewood Day Care opened back in 1982 when former Edgewood residents Robert and Jane Gibson (who were members of the 1st Presbyterian Church) suggested Mrs. Stagon start a child care center at the church.

Edgewood Day Care is a fun place for children. There are music classes, sign language classes, exercise programs, creative dance class and library story hours. They meet monthly with the pre-school class at Western PA School for the Deaf, where they play and learn with their hearing impaired friends. There are field trips to the Aviary, Playhouse, Carnegie Museum as well as puppet shows, storytellers, magic shows, and visits to the Edgewood Borough Volunteer Fire Department. Amidst all this fun, Mrs. Stagon (who has a degree in Elementary Education from the University of Pittsburgh) and the other teachers are serious about providing a strong educational foundation for the children.

## Police Report

### Community Day

The Edgewood Police Department Community Day activities will include a police booth with complimentary novelty gift items. We will also hold our annual children's raffle at 7pm, in which the winner must be present to win. We hope to offer some kid-pleasing prizes. Check the Borough website for additional information. Hope to see you there!

### Citizen's Police Academy

The Edgewood Police Department graduated another Citizen's Police Academy this past spring. The Citizen's Academy is designed to give the average citizen an understanding of how the criminal justice system works and a closer look at what a police officer actually does. Congratulations to the graduates!! Thanks to the attendees and to Officer Fred Livingston for organizing the Academy.

Ed Cook, Mayor, Officer Brant Suley, Chief Payne

### New Full Time Officer

On June 3rd, 2013 Edgewood hired its newest full time officer, Brant Suley. Officer Suley was born and raised in the area and graduated from a local high school. He then enlisted in the United States Army and served for 3 years.

Officer Suley enrolled in the Allegheny County Police Academy in 2003. He worked for Kilbuck Township and Braddock Hills Police Departments as a part-time police officer. Officer Suley received his first full-time police job with the Borough of Wilksburg, where he worked for the past 8.5 years.

Edgewood Police are proud to have Officer Suley as part of our team. He brings a wealth of knowledge and experience. Our department now has 8 full-time officers and 4 part-time officers.

## Boy Scouts

Troop 23 has had a busy summer! In June the troop spent a week at Heritage Scout Reservation in Farmington, Pennsylvania. The scouts enjoyed hiking, kayaking, sailing and other outdoor activities, as well as earning merit badges in areas such as swimming, archeology, pioneering, woodcarving and basketry. Summer camp provides the opportunity for the boys to experience fun in the great outdoors while learning valuable life skills.

At this year's Edgewood Community Day, the scouts will have activities for the whole family. The scouts will have a leather craft table where kids can create stamped and dyed leather items such as bookmarks, bracelets, and key chains. Dutch oven cooking demonstrations will be given by our own Cast Iron Chefs! And of course, we will have the climbing wall set up for everyone to test their strength and coordination.

In September the scouts and their families will celebrate the end of the summer season with a picnic at Camp Guyasuta. Scoutmaster Charles Huse

will preside over a Court of Honor where merit badges will be awarded and the past year's activities and accomplishments will be discussed. Troop 23 will be holding a Flea Market at First Presbyterian Church of Edgewood (120 East Swissvale Avenue, Pittsburgh, PA 15218) on Saturday, September 28th, from 9 am to 4 pm. The proceeds of the flea market are used to fund troop activities.

Boy Scouting is for boys 11 to 17 years of age. Boys also may become Boy Scouts if they have earned the Cub Scouting Arrow of Light Award and are at least 10 years old, or have completed the fifth grade and are at least 10 years old. Boys who are interested in joining the Troop can attend our meetings every Monday night at 7 pm at the First Presbyterian Church of Edgewood.

Cub Scouting is a program of the Boy Scouts of America designed for elementary school-age boys (grades 1 - 5). It is a family-oriented program designed specifically to address the needs of younger boys. Cub Scouts meet in their Dens once each week, and a Pack meeting is held for all Cub Scouts and their families once a month. Boys and their parents can join Cub Scouting by attending the Pack Sign Up Night on September 19th, at 6:30 pm, at **the First Presbyterian Church of Edgewood.**

**"Rockstar Nutritionist" Jill Jayne MS, RD Visits District Schools for Nutrition Assemblies**  
by Andrea Kennedy RN BSN CSN

During the month of May nationally known "Rockstar Nutritionist," Jill Jayne MS RD, delivered her message of nutrition and health to eight of our district schools. The Jump with Jill and Jill Live! shows delivered the message of the importance of making healthy food choices and the benefits of exercise in a child-centered and enthusiastic manner. Students participated in these interactive programs. The programs were sponsored by the WHHS and WHJH Living Well Teams, which are funded by The Heinz Endowments. The teams felt that this was an exciting way to reach out to district students of all ages. The Living Well Teams are committed to educating and empowering students to develop life-long healthy lifestyles. Visit us on the **Woodland Hills School District High School Website for additional information.**

**Woodland Hills Students Finish First and Second in the Fairchild Challenge at Phipps**

Sixth, Seventh and Eighth Grade Students from Shaffer Elementary, the Woodland Hills Academy and Woodland Hills Junior High participated in the Middle School Fairchild Challenge at Phipps during the 2012-2013 school year. The Fairchild Challenge is a competition that challenges Middle School students from across Allegheny County to address environmental issues in unique and creative ways. Over 1,600 students participated in the competition. They had to complete six challenges throughout the course of the year, including building sculptures from recycled materials, living without technology for a day, implementing an environmental action at home for a month, baking healthy treats,

writing letters to the editor and making editorial cartoons that addressed an environmental issue in Pittsburgh, and creating a publicity campaign to endorse the benefits of plants in our lives.

At the Fairchild Awards Ceremony on Tuesday, May 28, 2013, sixth grade students from Shaffer and the Academy learned that they won first place in the Fairchild Challenge! They earned \$750 to promote environmental education in their schools. They were also invited to participate in the Riverlights Celebration on June 7, 2013. They conducted the countdown, along with Governor Corbett, to reopen the fountain in Point State Park. Seventh and Eighth grade students from the Junior High and the Academy earned second place and \$500 for environmental education.

We are very proud of all of their achievements!
