Edgewood Borough Named 2021 Banner Community

PITTSBURGH – Edgewood Borough has been named a 2021 Banner Community. The Banner Community program, sponsored by Allegheny County and the Allegheny League of Municipalities (ALOM), recognizes communities that show a commitment to professional development, prudent fiscal management, transparency, accountability, and proactive communications to engage community stakeholders. A total of 71 municipalities and five municipal authorities were recognized this year.

“Thank you to ALOM and Allegheny County for again recognizing Edgewood Borough as a Banner Community,” said John Wainright, Council President. “Our staff and elected officials work hard every day to assist our residents and businesses by providing the services they rely on each day. We are very proud of our municipality’s commitment and excited to receive this designation again for 2021.”

A total of 54 municipalities received the Banner Community designation for multiple years, including Aspinwall, Avalon, Baldwin Borough, Baldwin Township, Bellevue, Bethel Park, Brentwood, Bridgeville, Butler (Butler County), Carnegie, Castle Shannon, Crafton, Dormont, East Deer, East McKeesport, Edgewood, Edgeworth, Elizabeth Township, Emsworth, Forest Hills, Fox Chapel, Glassport, Green Tree, Harrison, Heidelberg, Jefferson Hills, Kilbuck, Leet, Marshall, Millvale, Monroeville, Mt. Lebanon, Munhall, North Versailles, Oakmont, O’Hara, Pine, Pitcairn, Pleasant Hills, Port Vue, Robinson, Scott, Shaler, Sharpsburg, South Fayette, South Park, Swissvale, Verona, West Deer, West Homestead, West Mifflin, West View, Wilkinsburg and Wilmerding.

“All of our communities have been stressed during this pandemic, and perhaps none more than local governments which have had their finances as well as their operations impacted. Yet throughout these challenges, these municipalities continue to serve the residents of their community in ways that set them apart,” said County Executive Rich Fitzgerald. “Congratulations to all of the recipients of the Banner Community designation. We are grateful to you for your continued efforts on behalf of your residents and businesses and are fortunate to have you as part of our county.”

Edgewood Borough is a member of the Allegheny League of Municipalities, a nonprofit organization created in the early 1960s to coordinate the needs of the area’s local elected officials. In 1974, it was officially established as the Allegheny League of Municipalities to coordinate, advocate and educate the hundreds of elected officials within its member municipalities in Allegheny County and southwestern Pennsylvania. The organization educates elected officials, delivers essential resources, and advocates for sound policy and legislation.

SPOTLIGHT ON EDGEWOOD BUSINESS

Remembering Jack Bright Council Member and Owner of AF Booksellers

You may remember him as the man selling books and firewood at AF Booksellers, a business that has been at the heart of the Edgewood Avenue for many years. Or perhaps you met him while he made one of his many door-to-door visits around the neighborhood or running games at Community Day. Mr. John F. “Jack” Bright passed suddenly on March 1, 2021, at the age of 82. Mr. Bright was a long time Edgewood resident and member of borough council for 12 years. He had a high regard for our Public Works, Police, and Fire Department (and a special thankfulness to them, for quickly putting out a fire he accidentally set on his home while removing paint with a heat gun). We’d like to take a moment to remember him in the most fitting way possible, with his own personal touch. You may recall our article featuring him as a member of borough council and we would like to share a little more of that interview that didn’t make the first cut.

JACK BRIGHT • 1938 - 2021

Mr. Bright attended Shadyside Academy and Valley School of Ligonier for grade school, Greenbriar Military School and the Lawrenceville School for high school, and Princeton University with a bridge major in Economics and Near Eastern Studies. He earned an MBA from the University of Pittsburgh and advanced study in Actuarial Mathematics. Mr. Bright served in the U.S. Army—1st Cavalry Division.

Jack worked at Highmark-Blue Cross for 16 years in the actuarial department and internal consulting after which he became an independent insurance agent and later, a stock broker.

He was a former competitive long distance runner and cross country skier and a practitioner of organic gardening. Mr. Bright was also a family man. His two sons grew up in Edgewood and now reside in Boston. Frederick makes commercial loans for Wells Fargo Bank, covering all 50 states and Alfram designs airplane wings for an aircraft manufacturer.

Mr. Bright stated that his first political experience was as a Chairman of the New Jersey Students for Jack Kennedy. He gave up that position “to a person better qualified.” After the Army he served as Chairman of the Westmorland County Young Republicans

and as Chairman of a civil rights organization in the Deep South (F.R.E.E.)

“I have served on a large number of political campaigns as a volunteer...(and) have recruited many people into political groups. I ran for public office 5 times. Failed. (Was) Elected Judge of Elections in Edgewood district 1 four times and was elected to Edgewood Borough Council for three terms,” Mr. Bright recalled of his political involvement.

“Council members need to be approachable. But they also need to do the approaching on their own... Tons of good ideas for the betterment of the community have been invented by citizens. Council members are thankful to the citizens for the good ideas they have created. There is no such thing as an individual accomplishment on Borough Council. All accomplishments are by team work. What I want to accomplish is also what other council members want to accomplish.”

“Edgewood is a wonderful town. Let’s keep it that way. Edgewood is a microcosm of what has made the United States the greatest country on Earth. It takes work to keep a town in good shape. In the past many Edgewood residents have done the work to keep the town in good shape. I have total confidence that future ‘Edgewooders’ will continue to do what needs to be done.”

–Jack Bright

From The Manager's Desk

The untimely and sad passing of longtime Edgewood Council Member John F. "Jack" Bright left a vacancy on borough council which state law dictates be filled within thirty days of the vacancy occurring. Borough council advertised the vacancy and ultimately interviewed nine potential candidates over the course of two public meetings during the month of March. At a Special Meeting held on March 22, members of borough council nominated residents Bhavini Patel and Jennifer Gleba to serve the remainder of Mr. Bright's term. Each nominee received three votes from members of council and the mayor was called upon to break the tie. Ultimately, Mayor Wilson cast his deciding vote for Jennifer Gleba which propelled her into the vacant seat until the end of 2021. Mrs. Gleba previously served on borough council from 2010-2013.

Edgewood Recycles

SPRING MEANS CLEANING

Republic Services Collects Household Hazardous Waste and E-Waste in Edgewood

Your hazardous waste and e-waste can be safely collected by calling this toll-free number: 1-800-464-2120

Look through your home for hazardous items that need to be discarded – everything from batteries and paint to computers and chemicals – and feel secure that Republic Services will safely handle these items, protecting both you and the environment.

Residents who call will be asked to describe the items to be collected. They will be told how to package their household hazardous waste (HHW) in a special HHW Kit, which will be sent to residents. (Electronics do not need to be packaged.) Each kit includes a collection date, a plastic bag, and detailed instructions on how to package the items to be collected safely and securely. Both HHW and e-waste must be kept in a secure location, NOT at the curb, until collected.

On the day of collection, Republic Services will arrive at your home to collect the HHW packaged items and/or electronics to be taken for recycling or disposal.

Acceptable HHW and e-waste (5 gallons or less):

- Paint – latex & Oil-based
- Paint thinners, Gasoline, Solvents
- Oil, Petroleum-based lubricants
- Ethylene Glycol, Antifreeze
- Pesticides, Herbicides
- Aerosols
- Mercury, Mercury Debris
- Light Bulbs – Fluorescents, Compact Fluorescents (CFL), High-Intensity
- Discharge (HID) Lamps
- Batteries – Lead Acid, Alkaline, NiCad
- Pool Chemicals
- Cleaners – Acidic & Basic
- Resins and Epoxy
- E-Waste – TVs, Computers, Monitors, VCR and DVD Players, Printers, Fax Machines, Cable Boxes, Gaming Equipment and similar electronic waste

Unacceptable HHW and e-waste:

- Radioactive Compounds
- Smoke Detectors
- Ammunition
- Explosives
- Tires
- Asbestos
- PCs (Polychlorinated Biphenyls)
- Pharmaceuticals/Controlled Substances
- Biological/Infectious Wastes
- Medical Sharps (Call or visit Republic Services online for details for methods of disposing Medical Sharps)
- Fire Extinguishers

If any of the unacceptable items are placed for collection, a large Republic Services sticker will be placed on those items, explaining why they could not be collected.

To make a collection date appointment, call 1-800-464-2120 Monday-Friday, 8am to 5pm. You may leave a message at all other times.

REMINDER:

Glass is no longer accepted in curbside recycling.

As of January 1, 2021, Republic Services is no longer accepting any glass with curbside Recycling Collection. Glass has the tendency to break during collection and contaminates other recyclables with fine shards of glass. Any contaminated items are forced to be rejected and sent to a landfill. To continue recycling glass items, Republic Services has stationed a large blue dumpster in the parking lot behind the Edgewood Borough building (2 Race Street), for items to be dropped off at residents' convenience. This bin is for GLASS COLLECTION ONLY and is located next to the paper collection bins. There is another bin next to the Public Works building for other recyclables, or acceptable items can continue to be collected with curbside pick-up.

IMPORTANT NOTE: Please only bring your CLEAN glass recyclables, without lids, to place in the bin.

Recent conversations with Republic Services revealed Edgewood residents have done an exceptional job of keeping glass out of the curbside recycling stream and have filled the glass dumpster twice since the beginning of the year. Great job Edgewood, and thank you!

A NOTE FROM THE SHADE TREE COMMITTEE

MEETINGS, STREET TREE CARE AND TREE ART

MONTHLY COMMITTEE MEETINGS

The Shade Tree Committee usually meets monthly and is eager to answer resident questions about how borough street trees are cared for, help with getting a street tree planted at your home, and other questions about tree plantings, disease, and care. The beginning of each

meeting is reserved for resident Q & A. Please bring your questions or just listen to the discussion.

The meeting schedule is available online at: edgewood.pgh.pa.us. Meetings are currently being held online due to the COVID-19 pandemic.

Residents can contact Stephanie Ulmer with questions about trees.
Email her: Ulmer.stephanie.marie@gmail.com

STREET TREE CARE

Edgewood Borough is responsible for the planting, care, maintenance, and removal of every street tree in the borough. It is very easy to identify a street tree, they are located along the side of most public streets in the grassy area between the street curb and sidewalk. Trees planted behind the sidewalk are privately owned and not the responsibility of the borough.

The borough uses a licensed arborist to evaluate the health of each tree and recommend a prun-

ing plan if needed. Given the age of the street trees, removal is sometimes required if the tree is diseased or is a hazard to public safety. The borough strives to replant removed trees within two years to maintain our canopy.

Residents may call the borough at 412-242-4824 to request a visit from the arborist if their street tree is dropping branches, losing leaves out of season, is entangled in wires or overhanging your roof.

Edgewood Symphony Orchestra

Edgewood Symphonically Orchestra Final Virtual Concert, Saturday, May 8

Your Edgewood Symphony Orchestra is still actively making new music this season. They have presented three video concerts so far, featuring clips from past live events, new (outdoor) recordings of smaller ESO ensembles and many local guest ensembles, and discussions with Maestro Walter Morales. The concerts can be accessed via links on our website www.edgewoodsymphony.org and our FaceBook page www.facebook.com/edgewoodsymphony.

The final concert will be posted on Saturday May 8 at 7:30 p.m. There will again be new recordings from local smaller string, wind, and brass ensembles, and archive video that will include the ESO World Premieres of Robert Schultz' Lament for Orchestra, David Stock's Three Yiddish Songs for string orchestra, and Duke Ellington's Sophisticated Lady arranged by John Wilson.

The ESO also released a virtual recording on YouTube of Vaughan Williams March from English Folk Song Suite, compiled from members' individual home recordings.

Please help keep the music alive! We hope all our patrons and community members are staying healthy and well and we look forward to seeing you in person again soon.

EDGEWOOD RECREATION

The warm weather is returning, and we're excited to announce our recreational offerings! As noted in league/course descriptions we are still observing safety measures to keep everyone healthy. Although we have a good level of confidence with the knowledge we have gained over the last year around Covid 19, we understand that the pandemic is not over yet, and as such, these recreational offerings are still subject to change, based on CDC and government recommendations. Check our website, edgewood.pgh.pa.us, and our FaceBook page, Edgewood Borough Community Events for updates. We thank you for your patience and understanding throughout this time.

Koenig Field Usage

Besides a temporary closure early in the Covid 19 pandemic while we learned to navigate this new circumstance, Koenig Field has remained open to the public. Residents and several athletic groups have been able to find respite there, and remain active during this time. We are happy to continue offering the use of this space, but we want to provide a few reminders especially as we see an increase in outdoor activities and use of the field. Please continue to wear masks, wash/sanitize hands frequently, stay home if you are in quarantine for/recently recovering from Covid 19 or showing any signs of illness, follow social distancing recommendations, and keep crowds to a minimum. As always, be respectful to others using the field.

Tai Chi/Karate

*We would like to note, that both our Tai Chi and Karate instructors have been fully vaccinated against Covid 19. This however is NOT a requirement to participate in our leagues/classes.

Jon Wilson is back to lead Tai Chi at Koenig Field on Mondays from 6:30-7:30 p.m.! Participants will be distanced, and masks will be required. The session runs May 3 through June 28. Participants will be distanced, and masks will be required. No prior experience is needed to participate. Classes will take place on Saturdays from 9-10 a.m., and will run from May 1 through 29. The cost is \$50. To ensure the best experience for all, this course is designed as a complete series, and payment in full will be required. To register for this course, please email

Joe at joebrague@gmail.com. Joe will respond with the waiver and payment information.

T-Ball/Softball

It's time again for Edgewood T-ball and Softball! Registration for both sports begins April 15 and ends May 15. Both sports play at Koenig Field. You do not need to be an Edgewood Resident to play. The registration fee is \$50, and can be accessed with the link below. This link can also be found on our website, Edgewood.pgh.pa.us and on our Facebook page: Edgewood Borough Community Events. <https://go.teamsnap.com/forms/262006>

Covid 19 safety info: Masks still need to be worn by anyone who is not actively participating on the field, and spectators should remain distanced. Make sure to wash/sanitize hands frequently. All shared equipment is to be sanitized between players and/or at the end of all practices and games. Participants are encouraged to bring their own equipment, however, bats, balls, gloves, and helmets will be available to use. To avoid large crowds, we are asking families to please limit the number of spectators in attendance.

T-Ball (Boys and girls ages 5-7)

Participants should be 5 as of June 1. This sport will play through June and July, meeting twice weekly. Practice

days and times are TBD. Cleats may be worn, but are not necessary. Shirts and caps will be provided.

Woodland Hills School District provides a FULL DAY (Mon.– Fri. 9:00 a.m. to 3:00 p.m.) *PA Pre-K Counts Program* (180 days) for the 2021-22 school year. What to expect from Woodland Hills Pre-K Counts classroom?

Woodland Hills Pre-K Counts classrooms will:

- have teachers with the education and expertise to teach young children;
- use a curriculum that will help your child grow academically and socially;
- regularly review your child’s progress and choose teaching and learning activities that are best for your child;
- help you and your child adjust to pre-kindergarten and smoothly move on to kindergarten; and
- offer a small class size (18 students per one teacher and two half time aides) so that your child can have plenty of one-on-one time with the teachers.

By enrolling your child in the Woodland Hills Pre-K Counts Program, you can give your child a great start to a bright future.

Woodland Hills School District News

Woodland Hills School District is excited to welcome students back to in person learning two days per week beginning March 29. The district has been successfully educating students through virtual instruction on Google Classroom since the beginning of the school year, but with educators gaining access to the vaccine and Covid transmission rates on the decline, the district is pleased to be able to focus on the social and emotional growth of students through face-to-face interactions with teachers and peers. Students who live in the neighborhoods of Braddock, Braddock Hills, Chalfant, Churchill, East Pittsburgh, Edgewood, Forest Hills, and North Braddock will be in group A, and will attend school in person on Monday and Tuesday each week. Students living in the neighborhoods of Rankin, Swissvale, Turtle Creek, or Wilkins Township will attend school in person on Thursday and Friday as Group B. All students who wish to remain virtual until the end of the school year may also choose that option.

With the limited number of days remaining in the school year, and less than 50% of students in the building at a time, the district has also opted to give PSSA and Keystone assessments in the fall, as allowed through the Pennsylvania Department of Education. This will give teachers and students more time in the Spring to build relationships and focus on in-person interactions. As always, the Wolverines are eager to work through any challenges that come our way, including hybrid learning.

Please feel free to reach out to any of the Woodland Hills School District buildings, or go to www.whsd.net, for more information.

Early Childhood Education and Childcare Resources

In celebration of the Week of the Young Child, happening April 10th-16th, we'd like to share some exciting news around early childhood learning and care opportunities! Governor Tom Wolf has recently announced an increase to the base rate paid to child care providers participating in Child Care Works. CCW is Pennsylvania's subsidized child care program that helps low-income families pay their child care tuition and fees. To be eligible, families must earn 200 percent or less of the federal poverty guidelines at application and meet work or job training requirements. Eligible families are able to choose to enroll at any participating child care provider, which can be impacted by convenience, transportation, cost and working hours. Families enrolled in CCW pay a co-pay, and providers that participate in CCW are reimbursed a set base rate per child from the state with the opportunity for add-on funding. The subsidy rate, which was previously 25%, has been increased to 40%. This increase makes it easier for providers to offer quality childcare that is now even more affordable to working families who may otherwise have difficulty finding such care.
