When I first moved to Edgewood a couple of years ago, I noticed something that was very different from any other place I had ever lived. Police cars regularly patrolled the streets. When I walked or drove around the neighborhood it was unusual not to pass at least one police car. My husband and I were amazed. In other cities we had lived in we never saw the police unless there was a problem. Response times were slow and police officers weren’t the friendliest. Edgewood’s visible, professional police department is one of the best perks of being an Edgewood resident and is a big part of why my family loves it here.

As it turns out, we didn’t know the half of it. Not only are the Edgewood Police Officers a visible presence in residents’ lives, they are hardworking, devoted to the neighborhood and as Chief Robert Payne says, “as good a group as you can get.” Officer Brian Wyke believes that having a tight knit group is the key to the department’s success. “It’s the atmosphere you work in, the people you work with,” he said. “We work hard, everybody works hard. It’s not just eight hours riding in a car. It’s digging, investigating, working together. We have a good chief backing us up, a working chief.”

Difficult financial times tend to drive crime rates up but the hard work of the Edgewood Police Department has protected the residents of Edgewood by solving several major crimes over the last few months. During September, there was a set of eight burglaries in Edgewood and Swissvale. The burglaries were committed during daylight hours with the suspects gaining entry through unlocked windows. Chief Payne distributed a picture of the suspect to our officers and, the very next day, it paid off. Officers Brian Wyke and Michael Crow were driving down Edgewood Avenue when they spotted the suspect walking with two females. The females are juveniles and are believed to be involved. After stopping the three, police recovered video games, jewelry, gloves and a cold bottle of wine. This led them to believe the suspects had burglarized a house minutes before they were apprehended. Chief Payne believes the work the Edgewood Police Department did on this case will clear up thirty or forty cases in Wilkinsburg and the City of Pittsburgh, including those already cleared in Edgewood and Swissvale.

In the last few months, our officers have also cleared up thefts from garages, made a drug bust involving thirteen bags of heroin in a vehicle traveling through the borough, arrest-

**Tips for a Safe Season**

As good as our police force is, they can’t be everywhere at all times. Following these simple tips will help keep everyone safe this holiday season and beyond.

- Lock your car doors, bikes and the doors and windows of your home. If you don’t have a bike lock, you can pick up a free one at C.C. Mellor Memorial Library.
- Call 911 immediately if you see any suspicious activity. Dialing 911 is the only way to reach the police department after business hours. Don’t be afraid to call, 911 is not just an emergency hotline. Don’t waste time wondering if you should call. The faster you call, the faster police can respond.
- Be aware of your surroundings at all times.
- While shopping put merchandise out of sight in a locked trunk. You should also put cell phones, purses and any other valuable items out of sight in a locked glove compartment or trunk.
- To avoid making your home a target, ask delivery services to put packages and dry cleaning on a side or back porch. Deliveries left at the front door advertise that no one is home.
- Get to know your neighbors. Look out for them and they will look out for you.

Annual Appeal

Edgewood residents should have received their Annual Appeal request by now. We really wish we didn’t have to, but the reality is that the library relies on the generosity of people like you to provide the materials and services your family depends on. Gifts from individuals like you make up 8% of our income.

The library’s income of $287,000 comes from a variety of sources. State aid is the largest portion (33%) followed by Regional Asset District (RAD) funding (24%), municipal support (18%), library generated income (13%) and school district support (4%).

With the passage of the state budget, the library will lose just under $20,000 for 2010. RAD funding has yet to be decided as Allegheny County Libraries work to develop a formula that will meet RAD board approval. Members of the Board of Trustees have been very active in seeking increased support from the Woodland Hills School District and the municipalities that the library serves which include Edgewood, Braddock Hills, Forest Hills, Churchill and Wilkins Township. The library actively pursues grants; however, this year was very competitive with many organizations seeking funds from a more limited pot. Library generated income includes such things as fines, memorial and honor gifts, lost books, book sale profits and other merchandise sales.

This year your gift is more important than ever to the library and the people it serves. Please make a contribution today.

If you didn’t get an Annual Appeal request, you can pick one up at either circulation desk or you can go on-line to donate using PayPal. Go to the library’s website www.ccmoilibrary.org and click on the PayPal button at the top of the page. Donations may be earmarked for library operations or for building restoration. Your generosity is appreciated now and throughout the year.

Cooking With Diabetes Type 2 Workshops

Penn State Cooperative will offer Dining with Diabetes: A Program for Adults with Diabetes and their Families beginning Tuesday, November 10 from 6-8 p.m. in the library’s website www.ccmoilibrary.org and click on the PayPal button on the top of the page. Donations may be earmarked for library operations or for building restoration. Your generosity is appreciated now and throughout the year.

Proactive About Flu

We are taking a number of steps to better protect you and your family from the flu. Each circulation desk has hand sanitizers and tissues available for patron use. Library staff members will regularly wipe down computer keyboards, desk areas and door handles.

The children’s room is taking extra steps like wiping off all toys daily and creating a “Yucky Box” for books and toys that have been sneezed upon. Help us make the season healthier by not bringing sick children to story time or group activities.

Honor Gift

The library has received gifts in honor of Jim and Ginny Starr’s anniversary. Books will be added to the collection.

Drop Dead Book Club

This group will meet in the board room on Wednesday, November 11 at 7 p.m. to discuss Always a Time to Die by Elizabeth Lowell. Copies of the book are available at the circulation desk. There will be no meeting in December.

A note from the editor:

It has come to our attention that delivery of the newsletter has not been as thorough and timely as we would like. The newsletter is delivered by the post office through bulk mail. Matters have been complicated due to a recent reordering of mail routes. We are working with the post office to ensure that all residents receive their newsletter in a timely fashion.
Ho Ho Ho!
The Edgewood Volunteer Fire Department and the Edgewood Foundation will team up again this year for Light Up Night on December 4 at Memorial Park. The festivities will begin at 7 p.m. with a reading of Clement Moore’s, The Night Before Christmas. There is a rumor that everyone’s favorite jolly old soul in red will arrive just in time to light the tree. Afterward, we would like to invite everyone back to the Edgewood Club for refreshments and some holiday entertainment for the kids.

Unfortunately, there are a lot of children around Pittsburgh who may not be looking at as rosy a holiday as yours and mine. This Christmas we will partner with Toys for Tots to encourage the children (and everyone else) of Edgewood to bring an unwrapped present to Memorial Park on Light Up Night. Gifts will be taken to Toys for Tots to try and make the holidays brighter for all of our neighbors this holiday season.

Please mark your calendars for December 4th at 7 p.m. Come out and have some fun with your neighbors at Memorial Park while making a difference for some deserving kids.

Fall Clean Up and Bulb Planting

Thanks for a Successful Community Block Party
The rain held off and the sun occasionally peeked through for the Third Annual Block Party, on October 10. There were face painters, magic acts and food galore from Tai TYK (on Edgewood Avenue), Jean’s Soul Food and Five Starr Catering. Channel 4 celebrities came out to sign autographs and the classic cars on display were great. DJ Ray set the mood with oldies from the 50s through the 80s. The Edgewood Police and Fire Departments were on hand. The Wilkinsburg Fire Department opened their smoke house for tours. We would like to thank all the friends and neighbors who came out to enjoy the day. Hope we’ll see you at the Fourth Annual Block Party in the fall of 2010.

Tax Time

The Edgewood Borough Real Estate Tax is now due at penalty. I sent reminders out the first week of October. Please remember, even if you did not receive your bill in April, as a home owner you are responsible for making sure your bills are paid. I have no control over the postal service.

The Woodland Hills School Tax is due at penalty as of November 1. If you are paying in installments, your second installment is due by November 30. I will accept a postmark of November 30, but if you send it later than that, make sure you add an additional 10% on for the penalty. If you send your entire slip in, include a self-addressed stamped envelope because otherwise you will not have the coupon for your third installment which is due in February.

My hours have changed. I will now be working Monday and Thursday from 9 a.m. to 12:30 p.m. and Wednesday from 9 a.m. to 11 a.m. If you have any questions, please feel free to call me at (412) 731-0200. I will return your call. I’d like to wish everyone a Happy Thanksgiving.

In Chief Payne’s words, “that’s pretty good work.” Edgewood Borough Council honored the department with a resolution and a plaque at the October 19 council meeting. Mayor Jean O. Davin read a proclamation and declared October 23 as Edgewood Police Officers’ Day.

“On behalf of the residents of Edgewood, we are very proud of the professionalism exhibited by our police officers in the execution of their duties, which enhances the quality of life in Edgewood,” said Mayor Davin.

Holiday Preparations

The Edgewood Volunteer Fire Department likes to be prepared and this holiday season we are checking our list twice. I have spoken to Santa to make arrangements to bring him to the annual Light Up Night December 4 at Memorial Park. Santa told me that since the children of Edgewood have been good this year, he will meet them at the Edgewood Club after the celebration. He said to tell the kids, “Bring your smiles and I’ll bring the treats.”

We are also looking for block captains for the annual luminary sales. If you are interested contact me at firechief@edgewoodboro.com or call (412) 242-9994 and leave your name and phone number. A member of the department will contact you.

Rewards for Membership

As always we are looking for members to join the EVFD. Although some may think that the training and time commitment may be too much, keep in mind there are also benefits to being a member. I recently learned of a scholarship opportunity for volunteer fire fighters that I wanted to share. The following information comes from an email I received:

In Allegheny County, volunteer fire fighters protect over 910,000 people. In addition, volunteer firefighters save the county an estimated $60 million dollars a year. There are 203 volunteer fire companies in Allegheny County and the challenge of keeping these companies fully staffed, well trained and ready to respond at a moment’s notice is one that nearly every fire company in the region addresses on a regular basis.

Because fire companies are essential to ensuring safe and well-protected communities, Allegheny County Executive Dan Onorato has teamed up with the Allegheny County Fire Academy and Community College of Allegheny County (through the CCAC–Allegheny County Workforce Alliance) to offer the Allegheny County Fire Volunteer Education, Service & Training Scholarship Program (FireVEST). This program provides full scholarships for an associate’s degree or certificate program at CCAC, as well as training at the Allegheny County Fire Academy.

Of the 200 scholarships offered per year, 150 are earmarked for new recruits in exchange for a commitment of five years of service to a volunteer fire department in Allegheny County, while 50 scholarships will be awarded to existing volunteers in exchange for a commitment of five additional years of service.

Scholarship applicants must be residents of Allegheny County and either be a current volunteer or have joined a volunteer fire department in Allegheny County. Applicants must apply and be accepted to CCAC, file for federal and state financial aid and complete the financial aid process on time and in its entirety.

If awarded a scholarship, recipients are required to meet certain obligations. These include:

• serving as a volunteer firefighter for five years in Allegheny County
• maintaining an acceptable level of service as monitored by recipient’s fire department
• completing two required courses at the Allegheny County Fire Academy
• maintaining a minimum grade point average of 2.0 for the duration of the recipient’s studies
• repaying a portion of the scholarship if service and academic requirements are not met

In addition to the fireVEST you become eligible for a maximum $100 state income tax credit, and just today I received word that House Bill 250 would give municipalities and school districts the option of providing breaks on earned income and property taxes to volunteer firefighters. Local officials would determine the size of the wage tax cut, while the property tax credit would be capped at 20 percent.

Block Party Fun For All

On Saturday October 10, Western Pennsylvania School for the Deaf held its Third Annual Block Party celebrating the communities of Wilkinsburg & Edgewood. The festivities were held along East Swissvale Avenue from the front of the Western Pennsylvania School for the Deaf campus to the Three Rivers Center for Independent Living. Events included face painting for the kids, wall climbing, a car cruise and community displays by members of various groups. Also on hand were on-air personalities from WTAE who participated in the activities. Officer Livingston was present to give away badges and pass out other public safety information.

Special thanks to Gregg Bowers & Vickie Cherney, who did a wonderful job organizing this year’s event.

Citizen’s Police Academy

Are you interested in learning what your police do? Want to see the training they receive? If so, the Edgewood Citizen’s Police Academy is looking for a few good men and women to be part of the next class. We anticipate a new class will begin in January. The exact dates and times will be announced at a later date. Applications are available at the Edgewood Borough Building. Sign up today!

Activity Report

The Edgewood Police Department responded to and handled 1,393 calls for service in September 2009. There were 491 incidents reported, 190 complaints received and 10 accidents investigated, four of which resulted in personal injury and six resulted in property damage.

Part I Crimes are the more serious crimes of homicide, rape, robbery, aggravated assault, burglary, larceny, motor vehicle theft and arson. Of the 53 Part I Crimes committed in the borough, there were zero for robbery, one for motor vehicle theft, seven for burglary, 22 for shoplifting, three for aggravated assault and 20 other crimes.

There were 14 adult and nine juvenile arrests made for felony and misdemeanor violations.

Edgewood officers wrote a total of 38 traffic citations, 205 parking citations and made zero arrests for driving under the influence. There was one vandalism/criminal mischief complaint and one narcotics offense.

Officers also responded to eight false alarm calls, took 225 reports, responded to 24 public nuisance complaints, wrote one non-traffic citation and responded to 10 calls for medical assistance.

With winter quickly approaching, the following preventive maintenance tips for your vehicle can mean the difference in breaking down on the roadway or your continued driving pleasure.

- Have your battery and brakes checked.
- Have your tires checked for wear and tear as well as tire pressure.
- Check for leaks and top off all fluids, including an oil change, if needed.
- Don’t forget to replace the summer wiper blades with winter blades.
- Always drive carefully and obey the speed limit.
Twenty-five Years of Edgewood Foundation Memories

In 1984, seven members from the Edgewood community, representing different facets of Edgewood life, were asked to serve as part of a newly conceived group of volunteers to oversee a new fund in the Pittsburgh Foundation. This group included Bill Vincett, Mayor of Edgewood; John Eichley, Edgewood Council President; Jan Swensen, Edgewood School Board President; Bill Limpert, Edgewood Council Member; Jay Bush, Edgewood High School English teacher; Larry Heller and Lois Winslow, community volunteers.

It took months to file and obtain the non-profit status that qualified us to raise funds. Jan Swensen, now a retired lawyer, remembers those first years and the Foundation’s organizational challenges. Achieving the 501C3 non-profit status and negotiating with the Pittsburgh Foundation to create the Edgewood Fund, still a unique relationship, was one of the most memorable happenings for him. He feels that the biggest benefit of a community foundation “causes people to become involved with their community and contribute to make it better.”

Certainly there was much lively discussion about what kind of board the Edgewood Foundation should be. Would we be an activist board who conceived the Edgewood Foundation should be. Would we be an activist board who conceived the Edgewood Foundation should be. Would we be an activist board who conceived the Edgewood Foundation should be. Would we be an activist board who conceived the Edgewood Foundation should be. Would we be an activist board who conceived the Edgewood Foundation should be. Would we be an activist board who conceiv...
